Semiahmoo Junior Golf Camp:

- Golf clubs are encouraged for each participant, but not required. If your child does not have clubs, there will be some clubs available at each station during the camp.
- Participants are encouraged to wear traditional golf attire during the camp. This means no denim jeans and shirts with a collar. Tennis shoes or sneakers are required.
- Dress and prepare for the weather. Bring jackets and if the weather looks sunny, apply sun-screen before camp.
- Participants will be grouped according to age. If your child is attending camp with a friend of a similar age and would like to be paired together, please let us know ahead of time.
- Participants are expected to follow the instructor's rules and act in a safe manner. Safety is our #1 concern. If we find that your child cannot follow the rules, they will be asked to sit out until they can behave in a safe manner.
- We will provide a water and snack break each day. Children may bring their own water bottle to re-fill throughout the camp.
- We will provide lunch each day at 12 noon. If your child has allergies, please let us know. While we will do our best to accommodate food allergies, it may be best for your child to bring their own lunch. We are happy to store it in our refrigerator until lunch time.
- On the first day, please arrive about 15 minutes early for registration. Day two and day three begin at 9am. On day four, please refer to your child's tee time (handed out on day three) as to when to arrive to the course.
- Participants are to be picked up no later than 12:30pm each day.

We look forward to another great camp! Please call with any questions.
