Semiahmoo Resort wins “Best Northwest Destination Wedding Site” by *Seattle Bride* magazine again

BLAINE, Washington—Once again Semiahmoo Resort has been named “Best Northwest Destination Wedding Site” by *Seattle Bride* magazine in its “Best of 2011” issue. Winning this year for its “unbelievable panoramic views and a variety of indoor and outdoor wedding sites”, Semiahmoo also received this award in 2010, 2007 and 2006.

Approximately 1,100 online votes were received by *Seattle Bride* from readers, brides, and wedding vendors to determine the award winners in each category. All winners are posted online at www.seattlebridemag.com, where visitors to the site will find this about Semiahmoo: “If ditching the city and adventuring into the beauty of the Pacific Northwest is more your style, one dazzling destination spot stands above the rest: Situated just 25 miles north of Bellingham in Blaine, Washington, Semiahmoo Resort has been responsible for dream weddings since 1987. If the panoramic beauty doesn’t get you perhaps the 1,100-acre wildlife preserve, full-service spa or breathtakingly beautiful golf courses will.”

Adrienne Kar, Semiahmoo’s Wedding Sales Manager proudly shared, “Our resort offers beautiful venues with views from the San Juan Islands to Mount Baker.” General Manager of Semiahmoo, Jeff Kline, credited the award to: “The hard work of our dedicated staff to provide a superior guest experience, combined with an ideal location on the water and a variety of guest activities (golf, spa, barbecues, kayak and bike activities) creates the perfect setting for a destination wedding.”

Semiahmoo Resort offers AAA Four-Diamond accommodations with 198 guest rooms and a variety of wedding reception and ceremony sites, ranging from elegant indoor venues to natural outdoor settings. The most popular ceremony venue is the beach front *Seaview Terrace*, which showcases panoramic views of Semiahmoo Bay, Boundary Bay, and the city of White Rock, B.C. In addition to offering several restaurants and a full-service spa at the resort, there are two award-winning golf courses—*Semiahmoo Golf & Country Club* and *Loomis Trail Golf Club*. Other activities include bike, boat, and kayak rentals, as well as, whale watching tours and private charters. Semiahmoo continues to receive regional and national recognition as a favorite Pacific Northwest getaway and award-winning golf destination. In fact, *Semiahmoo Golf & Country Club* was ranked #55 of the “Top 75 Golf Resorts in North America” by *Golf Digest*, 2009/10.
