

COVID SALON SAFETY GUIDELINES

SALON SAFETY

- Our salon is well stocked with disinfectants, sanitizers, and cleaning supplies.
- We will require clients and stylists to wash their hands before beginning any service.
- We are following a rigorous cleaning schedule to ensure all stations, high-touch surfaces, towels, capes, and products are disinfected on a regular basis.
- Employees who show flu-like symptoms will be required to stay at home until they are symptom-free.

SICK POLICY

- We will not be accepting sick clients.
- If you or someone you have been in close contact with is sick within 24 hours of your appointment, please cancel immediately.

CANCELLATION POLICY

- All cancellation fees will be temporarily waived to ensure the salon is a safe environment for other clients and team members.
- We are happy to help you reschedule your appointment for a later date.

Thank you for joining us in keeping our guests and team members safe and healthy!
