BUCKET LIST

BY BECKY MANDELBAUM AND JULIA FURUKAWA

NOTHING MAKES YOU DREAM about the future quite like a government-issued shelter-in-place order. I don't know about you, but I spent most of my time in self-isolation planning what to do when the quarantine lifted, as well as noting everything I wished I would have done before the pandemic forced us to stay home.

My hope is that these pages will inspire you to dream big and then make these dreams a reality. What's a trip you've always wanted to take? A skill you've always wanted to learn? Whether it's running a marathon or learning another language, you never know what tomorrow might bring, so get working on your bucket list today. **BECKY MANDELBAUM**
